NEW YORK, October 12.—The sa-tent fact discernable in the stock market was the decrease in the speculative interest. Doubtless the primary cause of this is the narrowing resources of the money market. primary cause of this is the narrowing resources of the money market, although the immediate effect is easier in New York than last week or the week before. There was a disposition to dwell a good deal on the assembling of Congress. The points of strength in the market was sporadic, and the development from time to time in an eccentric manner that made an explanation puzzling. Violent advances on small transactions in the express stocks were due to the advance in the dividend rate in United States Express. Rumors persisted of a coming combination of copper interests with some effect on copper securities. The Southern group of railroads felt the influence of the Hawiey deal in Missouri, Kansas and Texas, and the intimation of a possible further schedule for the plan involved in that deal. The sustaining influence of these movements was only temporary, and prices ran of again, closing at about the lowest.

Bonds were easy. Total sales, pervalue, \$3.270.00. United States tonds were unchanged on call. Total sales to-day were \$35.00 shares.

to-day were \$25,000 shares.

NEW YORK, October 19,—Money on call firm, 4@41-2 per cent,; ruling are 4; closing bid, 4; offered at 41-4. Time loans easier, but very dull; sixty days, ninety days and six months, 11-2@42-1 per cent. Prime mercantile paper, 5 to 51-2 per cent. Sterling exchange strong, with actual business in bankers bills at \$4.85@\$4.8310 for sixty-day bills, and at \$4.850 for demand. Commercial bills; \$4.52.1-2@\$4.847-8. Bar silver, 51. ELECTS OFFICERS

Society of Cincinnati Entertains Distinguished Visitors at Annual Meeting.

Annual Meeting,

Wyndham It. Meredith was elected president of the Virginia Branch of the Society of the Cincinnati, at the annual meeting of the order held in the society of the Cincinnati, at the annual meeting of the order held in the property of the Westmoreland Club yesterday afternoon. Colonel W. Gorden McCabe was chosen vice-president, and Levin Joynes, secretary.

One feature of the society is that the chapter 'n each State chooses some significant day for the annual meeting, and yesterday was most appropriate, as it commemorated the anniversary of the surrender of Cornwallis at Yorktown, in 1781. The program included addresses in which this most historic of Virginia incidents was recalled. After the business, which consisted largely in a consideration and adoption of reports, the members and their many guests were entertained at a luncheon. It is significant to note that the Virginia Society, the oldest of the order, dates back to 1781, having been organized nearly a century before the historic fate the members assembled here to celebrate.

The dining-hall was elaborately decorated. Among the distinguished visitors present from a distance were General Cassius Goodloe, of Washington, william Hancock Clarke, of New York; Judge Daingerfield Parke, of Washington, and Colonel Dudley Evans, of New York.
